

ECONOSCAN III

SHORT RANGE CCD BARCODE SCANNER

ID TECH is proud to introduce the EconoScan III, our next generation short range CCD scanner that is specially designed to deliver high-end performance at the lowest possible price. The scanner utilizes exceptional decoding technology, making it the best in its class in terms of performance and value. The EconoScan III contains no moving parts, yet it is exceptionally lightweight and designed to fit comfortably in the hand for extended periods of usage. This ergonomic hand-held scanner is ideal to be used in a wide variety of markets, including retail, logistics and light industry applications.

FEATURES and BENEFITS

- Super slim body design
- The longest reading range in its class
- High scan rate of 200 scans/sec
- Supports most linear barcode symbologies
- Data formatting features
- Continuous and flash scanning mode
