ID TECH simplifies and accelerates EMV Level 3 certifications by implementing a common EMV Contact Kernel across all EMV capable solutions. Certifying one device means immediate certification of the entire family of products!

NEO 3

PLATFORM OF PRODUCTS

THE NEO 3 PLATFORM REPRESENTS THE NEXT GENERATION IN PAYMENT SOLUTIONS.

Its sleek designs and new unattended retail technology raise the bar for unattended payments. The NEO 3 platform directly meets the needs of businesses to quickly certify their payment devices. Thanks to ID TECH's L2 common kernel, businesses certifying one product on the NEO 3 platform can adopt all six products without having to recertify the others.

NEO 3 PLATFORM OF PRODUCTS

ONE COMMON KERNEL. ONE INTEGRATION. MULTIPLE ENVIRONMENTS.
